DRAWA Membership Application

Dalmatian Rescue Association of WA Inc (DRAWA) was incorporated in July 2013. Membership to DRAWA is a patronage membership where any persons who wish to support our purpose of rescue, fostering & rehoming dalmatians in Western Australia may join. Your annual membership fee contributes towards the costs for the dalmatians that are assisted by DRAWA. It is not a requirement to have a dalmatian to be a patron member of DRAWA.

Membership fees* are \$20 per year, per household, per Calendar Year (January – December). Members have voting rights on club issues and can attend all open meetings. Members are also invited to attend the DRAWA Dalmatian Play Dates and other fundraising events. Additional costs may be charged to cover costs involved of hiring of venues, etc.

To join DRAWA, please complete the membership information below and return via email or post. All DRAWA communications to members are by email.

Membership fees can be paid by direct deposit:
